For immediate release

2nd Annual Washington Beer Open House

Saturday, February 25, Noon - 5pm • Currently 38 Participating Breweries!

Don't miss the 2nd Annual Washington Beer Open House, Saturday, February 25, from noon to 5:00pm taking place simultaneously at 38* of Washington's great craft breweries.

This is an opportunity to take a look behind the scenes of some unique and fascinating breweries, talk to the brewers themselves, and perhaps even try a taste of some of the finest beers in Washington state (or anywhere!).

Participating breweries will have a wide variety of fun things happening during the five hour open house including finger food, full tours, brewer discussion, unique beer samples, growler sales, music and other surprises. Activities will vary at each brewery.

Visit washingtonbeer.com for a map, directions and additional information. Plan your trip to visit a few neighboring breweries during the day or spend the afternoon at one of your local favorites.

Come out and celebrate Washington Beer!
