2014 WASHINGTON BREWERS FESTIVAL

Friday, June 13 through Sunday, June 15
King County's Marymoor Park, Redmond

88 Participating Washington Breweries Announced

The 9th Annual Washington Brewers Festival is less than two months away and below is the list of the 88 **Washington craft breweries** that will be on hand at King County's Marymoor Park in Redmond, the weekend of June 13-15. Washington breweries will occupy all 88 of the available pouring stations this year, making this the largest Washington-only craft beer festival ever! The Festival kicks off on Friday, June 13, from 4pm to 9:30pm, with more than 70 of these breweries on hand. All 88 breweries will then be on-site pouring more than 300 locally brewed craft beers on Saturday from 11am to 9pm and Sunday from 11am to 6pm. More than 20,000 attendees are expected for this Father's Day weekend celebration at the picturesque Marymoor Park venue. Although Washington Beer is the star of the show, there will be great live music and local food trucks as well! Complete details, including the 300+ beer lineup, will be available at washingtonbeer.com in the coming weeks.
