2012 WASHINGTON BREWERS FESTIVAL

Friday, June 15 - Sunday, June 17, 2012 • Marymoor Park, Redmond, WA

The 7th Annual Washington Brewers Festival moves to King County's Marymoor Park in Redmond for Father's Day weekend with 65 craft breweries pouring more than 200 unique beers! Check out the wildly creative beer names below and imagine the palate satisfying tastes.

The Festival kicks off on Friday, June 15, at 4pm and opening night goes until 9pm. Friday features 50 of Washington's breweries and many of those will bring Friday-exclusive beers which are often smaller-batch, specialty brews (see the asterisk on beer names below). Saturday and Sunday guests can choose from the full beer lineup from all 65 breweries (62 from Washington!) at the new Marymoor Park venue. In addition the festival features live music all three days, terrific food options including a couple of the popular food truck vendors. There is also wine and cider options available for those who might prefer. The Washington Brewers Festival will take place on June 15-17 at Marymoor Park in Redmond. Admission is \$15 on Friday (in advance or at the gate). Saturday or Sunday it's \$20 advance at ticket outlets or \$25 online or at the gate. Minors are admitted free but must be accompanied by a parent or guardian. Tickets are available online washingtonbeer.com and at local outlets. On-site parking is just \$1 on Friday, \$5 on Saturday and Sunday.
